We ask that you continue to be mindful of social distancing within our indoor spaces for your own protection.

We also can provide counseling in our conference room for safe social distancing.

Resident counselors are able to provide virtual Telehealth counseling for your safety, convenience and protection.

## Entering the Building:

**We continue to ask that if you have an in person appointment scheduled and you are physically ill with cold/flu like symptoms that you stay home and reschedule your appointment. In addition, if you have any of the following symptoms: fever, cough, sore throat, shortness of breath OR have traveled abroad OR recently visited any high risk area OR have come in close contact with someone diagnosed with OR come in close contact with someone suspected of having Corona virus we ask that you do not enter the premises and reschedule your appointment.**

If you are not ill, you may enter the building without calling the admin prior to your entry.

If you are not ill, you can check in with the admin as normal for your scheduled appointment.

## Counseling sessions:

If you are **not** vaccinated, we ask that you continue to wear your mask during your counseling session.

If you are fully vaccinated, you do not need to wear your mask in your counseling session.

If you are agreeable to counseling on these above conditions, please sign this form and return to us. The signed form can also be brought to us at your next scheduled in person appointment. If you forget to bring this form with you, we can provide the form for you to sign prior to your appointment.

I have read and agree to the safety procedures put in place at CCEVA for my welfare.
