Catholic Charities of Eastern Virginia (CCEVA) is hosting our annual Mardi Gras Gala on February 9, 2024 at The Westin, Virginia Beach Town Center. Hundreds of guests will enjoy an entertaining evening of dinner, dancing, live and silent auctions, casino games and more, all to raise funds for our programs that serve those most in need in our community.

Thanks to our generous supporters, last year's Gala drew over 300 attendees and raised over \$90,000.00 for our programs which provide comprehensive and compassionate services to thousands of families throughout southeastern Virginia regardless of race, creed, ethnicity or religion.

We are seeking in-kind donations for silent and live auction Gala prizes. Please consider a donation and enjoy acknowledgment of your tax-deductible contribution during the event, in publications and on social media reaching 400 attendees, 22,000 in eblasts, 10, 000 followers on social media, 64 parishes and 12,000 partners.

For more information, please visit our website at <https://cceva.org/>

Thank you for your consideration and for being a generous community partner.
