Support Local. Make an Impact.
On Friday, May 7th, Catholic Charities of Eastern Virginia (CCEVA) and the James Barry-Robinson Institute will host our 9th Annual Catholic Cup Golf Tournament. The event is a friendly competition between two Catholic organizations serving the needs of the youth in our community by providing crucial mental health services.

Your Reach.
Thanks to our generous supporters, last year's tournament hosted over 100 players, drew over 65 donors and sponsors from local organizations and raised $45,000.00 which helped subsidize hundreds of hours of mental health services to local children and their families at CCEVA and the James Barry-Robinson Institute.

Why Donate.
Now more than ever, mental health is needed for our youth and teens. Please consider an in-kind donation for our tournament raffle and enjoy acknowledgement of your tax-deductible contribution during the event, in publications and on social media reaching thousands of attendees, supporters, followers and community partners of both organizations.

For more information, please visit our Catholic Cup website at https://birdease.com/catholiccupgolftournament

Thank you for your consideration and for being a generous community partner.
